

Some could consider our audience tough, but Garrison kept them riveted with his presentation. They constantly remarked that his presentation is one of the best they've ever seen. Comments include "Excellent," "Great," "Motivating," and "I will be able to put what I learned today directly to use."

I just got off of the phone with my VP/GM and divisional VP and they both thought he was just great! Also - all of the customers and folks that I talked to just loved him. He was a big hit!

American Express

We have used Garrison fifteen times already this year, with terrific results. His funny, interactive approach keeps the group focused, and his "dealing with difficult people" segment, among others, was particularly effective. Garrison helps us provide excellent value-added training to our customers.

Having attended the sales training and having heard the comments made to me by the salesmen, I must say this was one of the most productive seminars RMS has participated in, in the 14 years that I have been involved in sales management. We changed the date of our summer meeting to fit Garrison's schedule so that he could present the next round of the KSS training to us!
